Mr. Mallinos

In Memoriam

**A tribute to Mr. Perry Mallinos
Principal of Westview Centennial Secondary School
September 2002 - December 2002**

It is with deep sadness that the staff and students of Westview Centennial Secondary School bid a final farewell to our beloved principal, Perry Mallinos, who was taken so unexpectedly from the Westview community this past year.

The Westview staff and students have lost one their most appreciated friends, colleagues and mentors. Although Mr. Mallinos was only here for a short period of time, he left an unforgettable impact on those who knew him and worked with him. He demonstrated leadership, compassion, understanding, and above all, a commitment to excellence in education.

In the words of Usha Finucane, Superintendent of Schools, "It was his intense and unswerving loyalty to his students and colleagues which was indeed appreciated at Westview."

We will never know the full impact of Mr. Mallinos' commitment to make Westview a place where students could succeed in an environment of security, a place where they were free to express their thoughts, their feelings and their ideas without fear of scorn or rebuke.

He had an open-door policy for students and staff and welcomed communication and a sharing of ideas.

These memories will forever remain a constant reminder of his vision and the footprint he left at Westview.

The Yearbook Committee respectfully dedicates the 2002-03 Westview Wildcat to our late principal, Mr. Mallinos, so that his memory may live on in these pages.

May those we have lost be at peace and know that they were truly loved.

In Memoriam

Memories of Mr. Mallinos from our Staff and Students:

"He was always friendly and easy to talk to."

"He was always there when I needed him."

"Though he's gone, his words, his teachings and his kindness will forever be remembered."

"I admired the fact that when others didn't believe in me, he always gave me confidence and support."

"No words can really describe how much he meant to us."

"Even though he was strict at times, we know that he meant well."

"He always found the time to say 'hello' to his students and that I admired."

"He was a true inspiration to us all."

"To me he wasn't my principal, he was a friend."

"To me and others he was a true role model."

"I respected him ... he was inspirational."

"It's hard to say just one sentence about him ... he had a lot of positive visions for the school that unfortunately he would not fulfil."

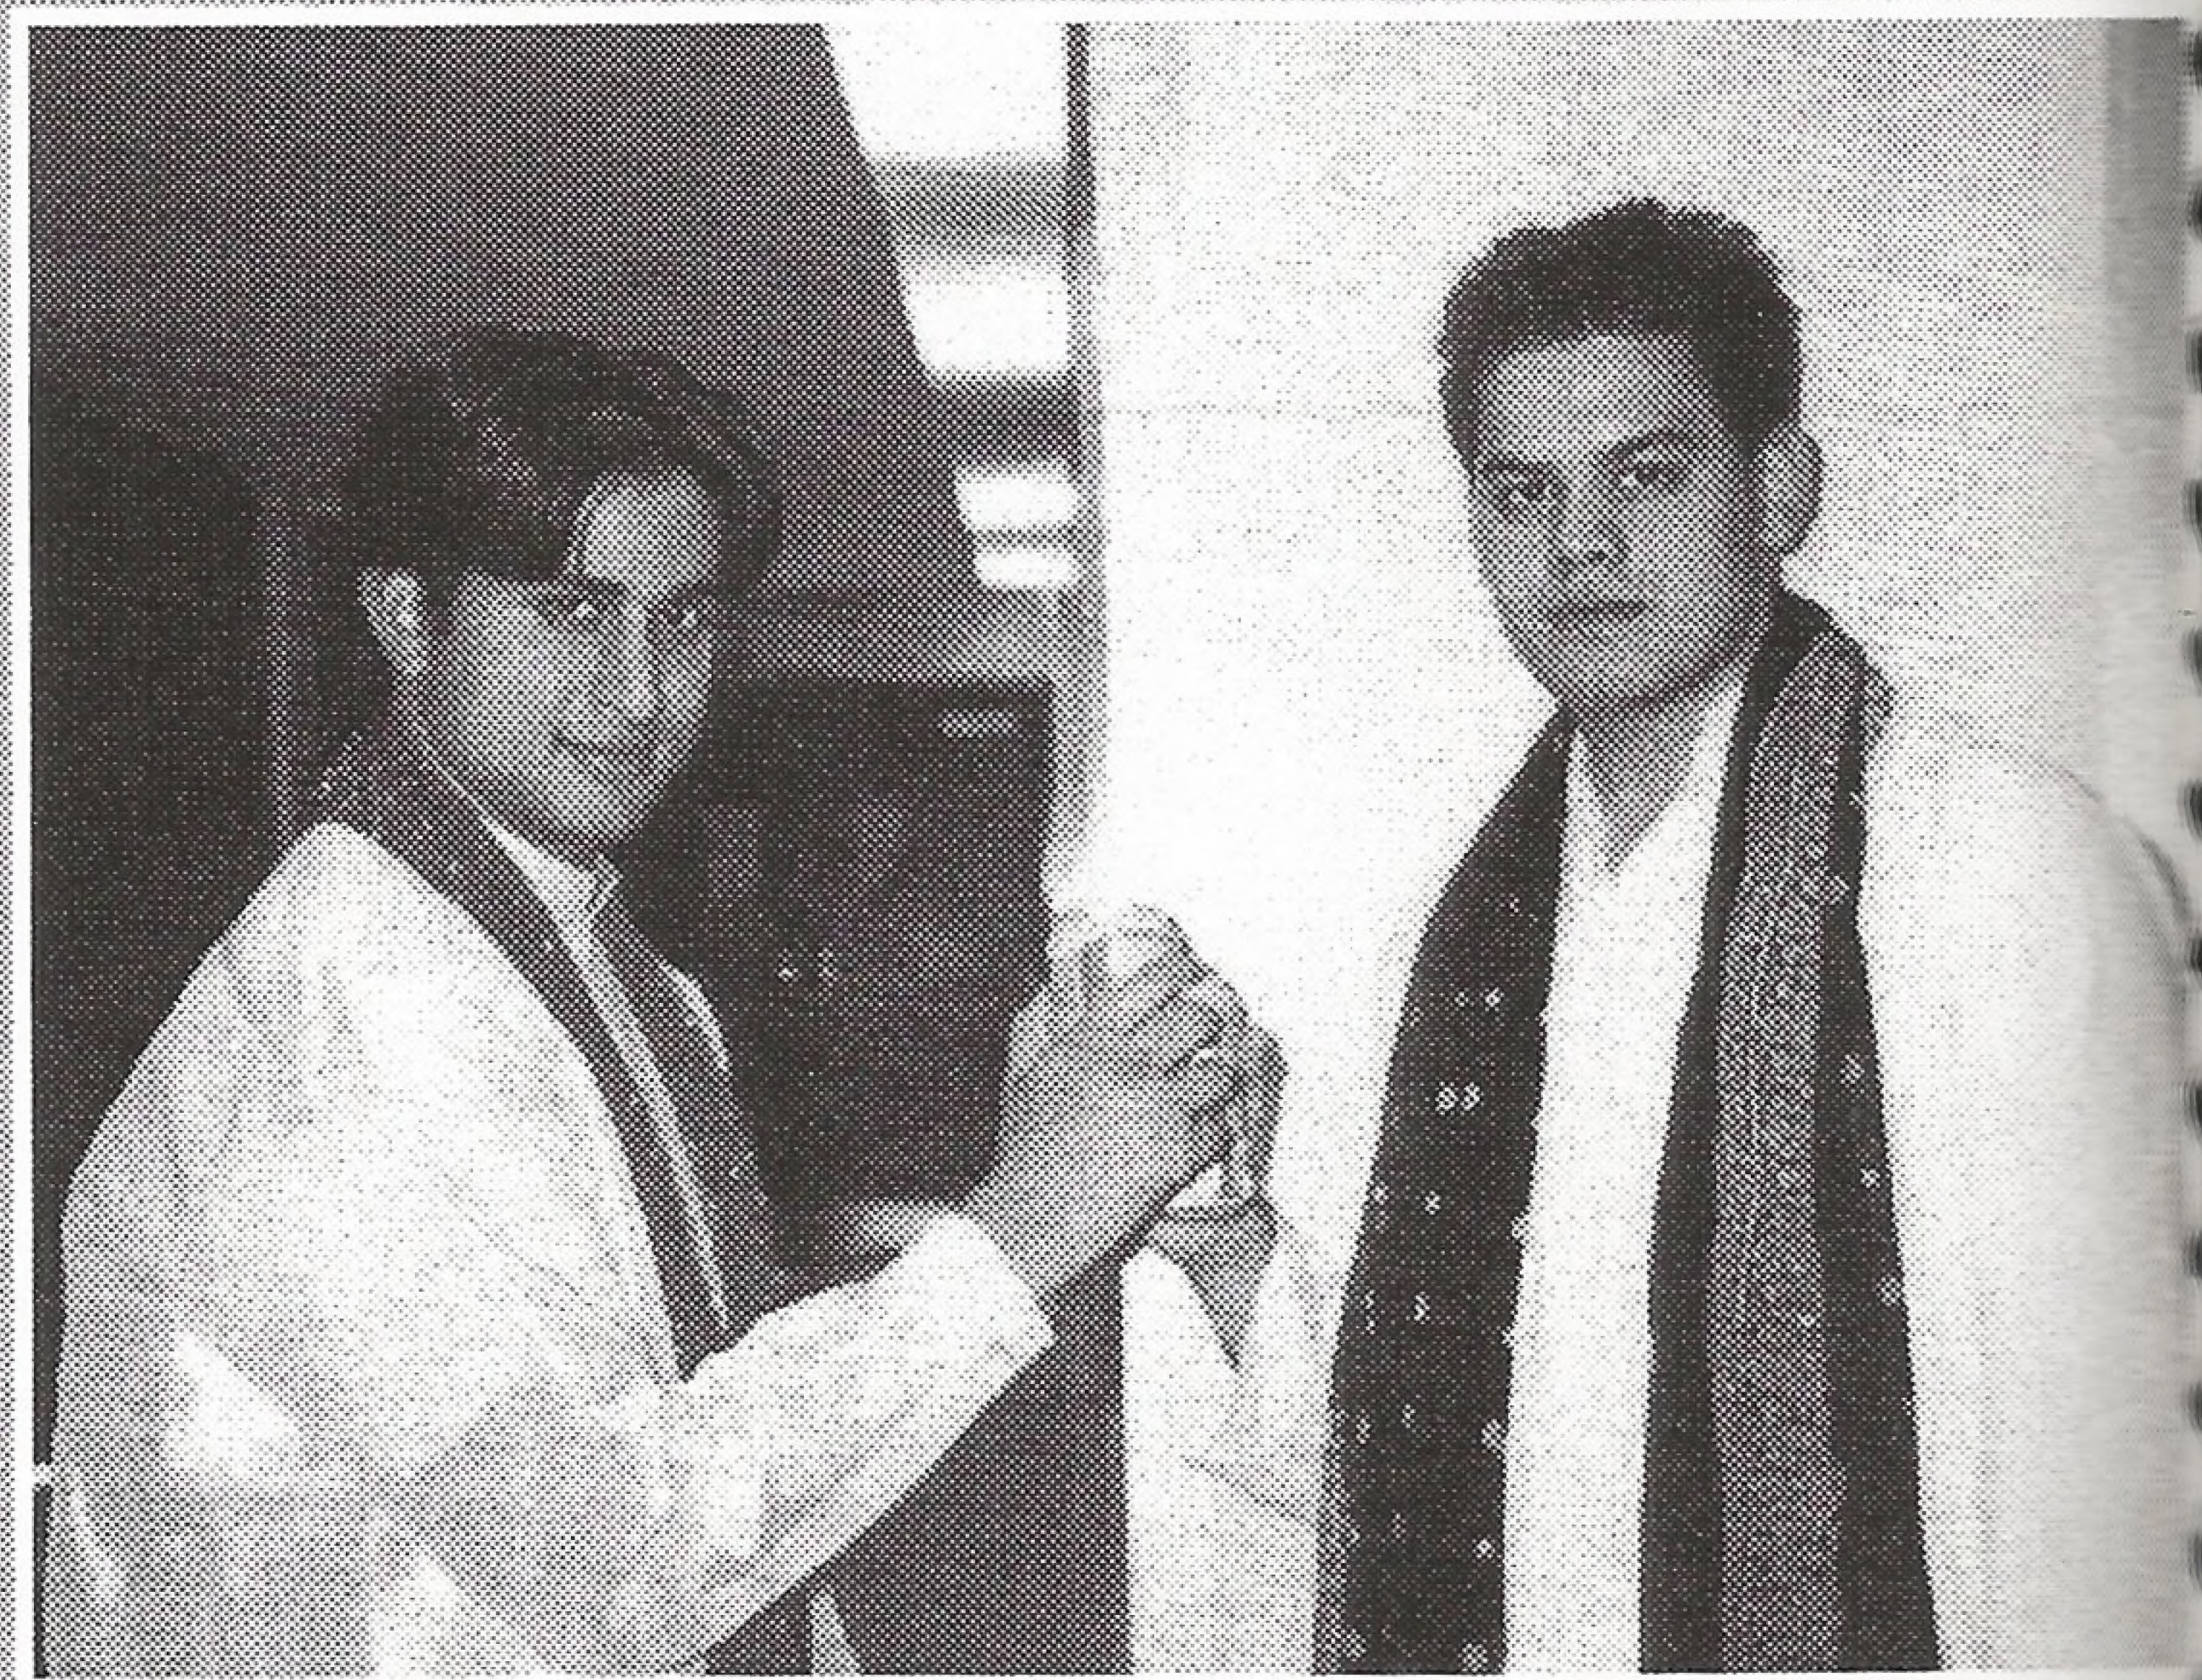

"He was a man of great character."

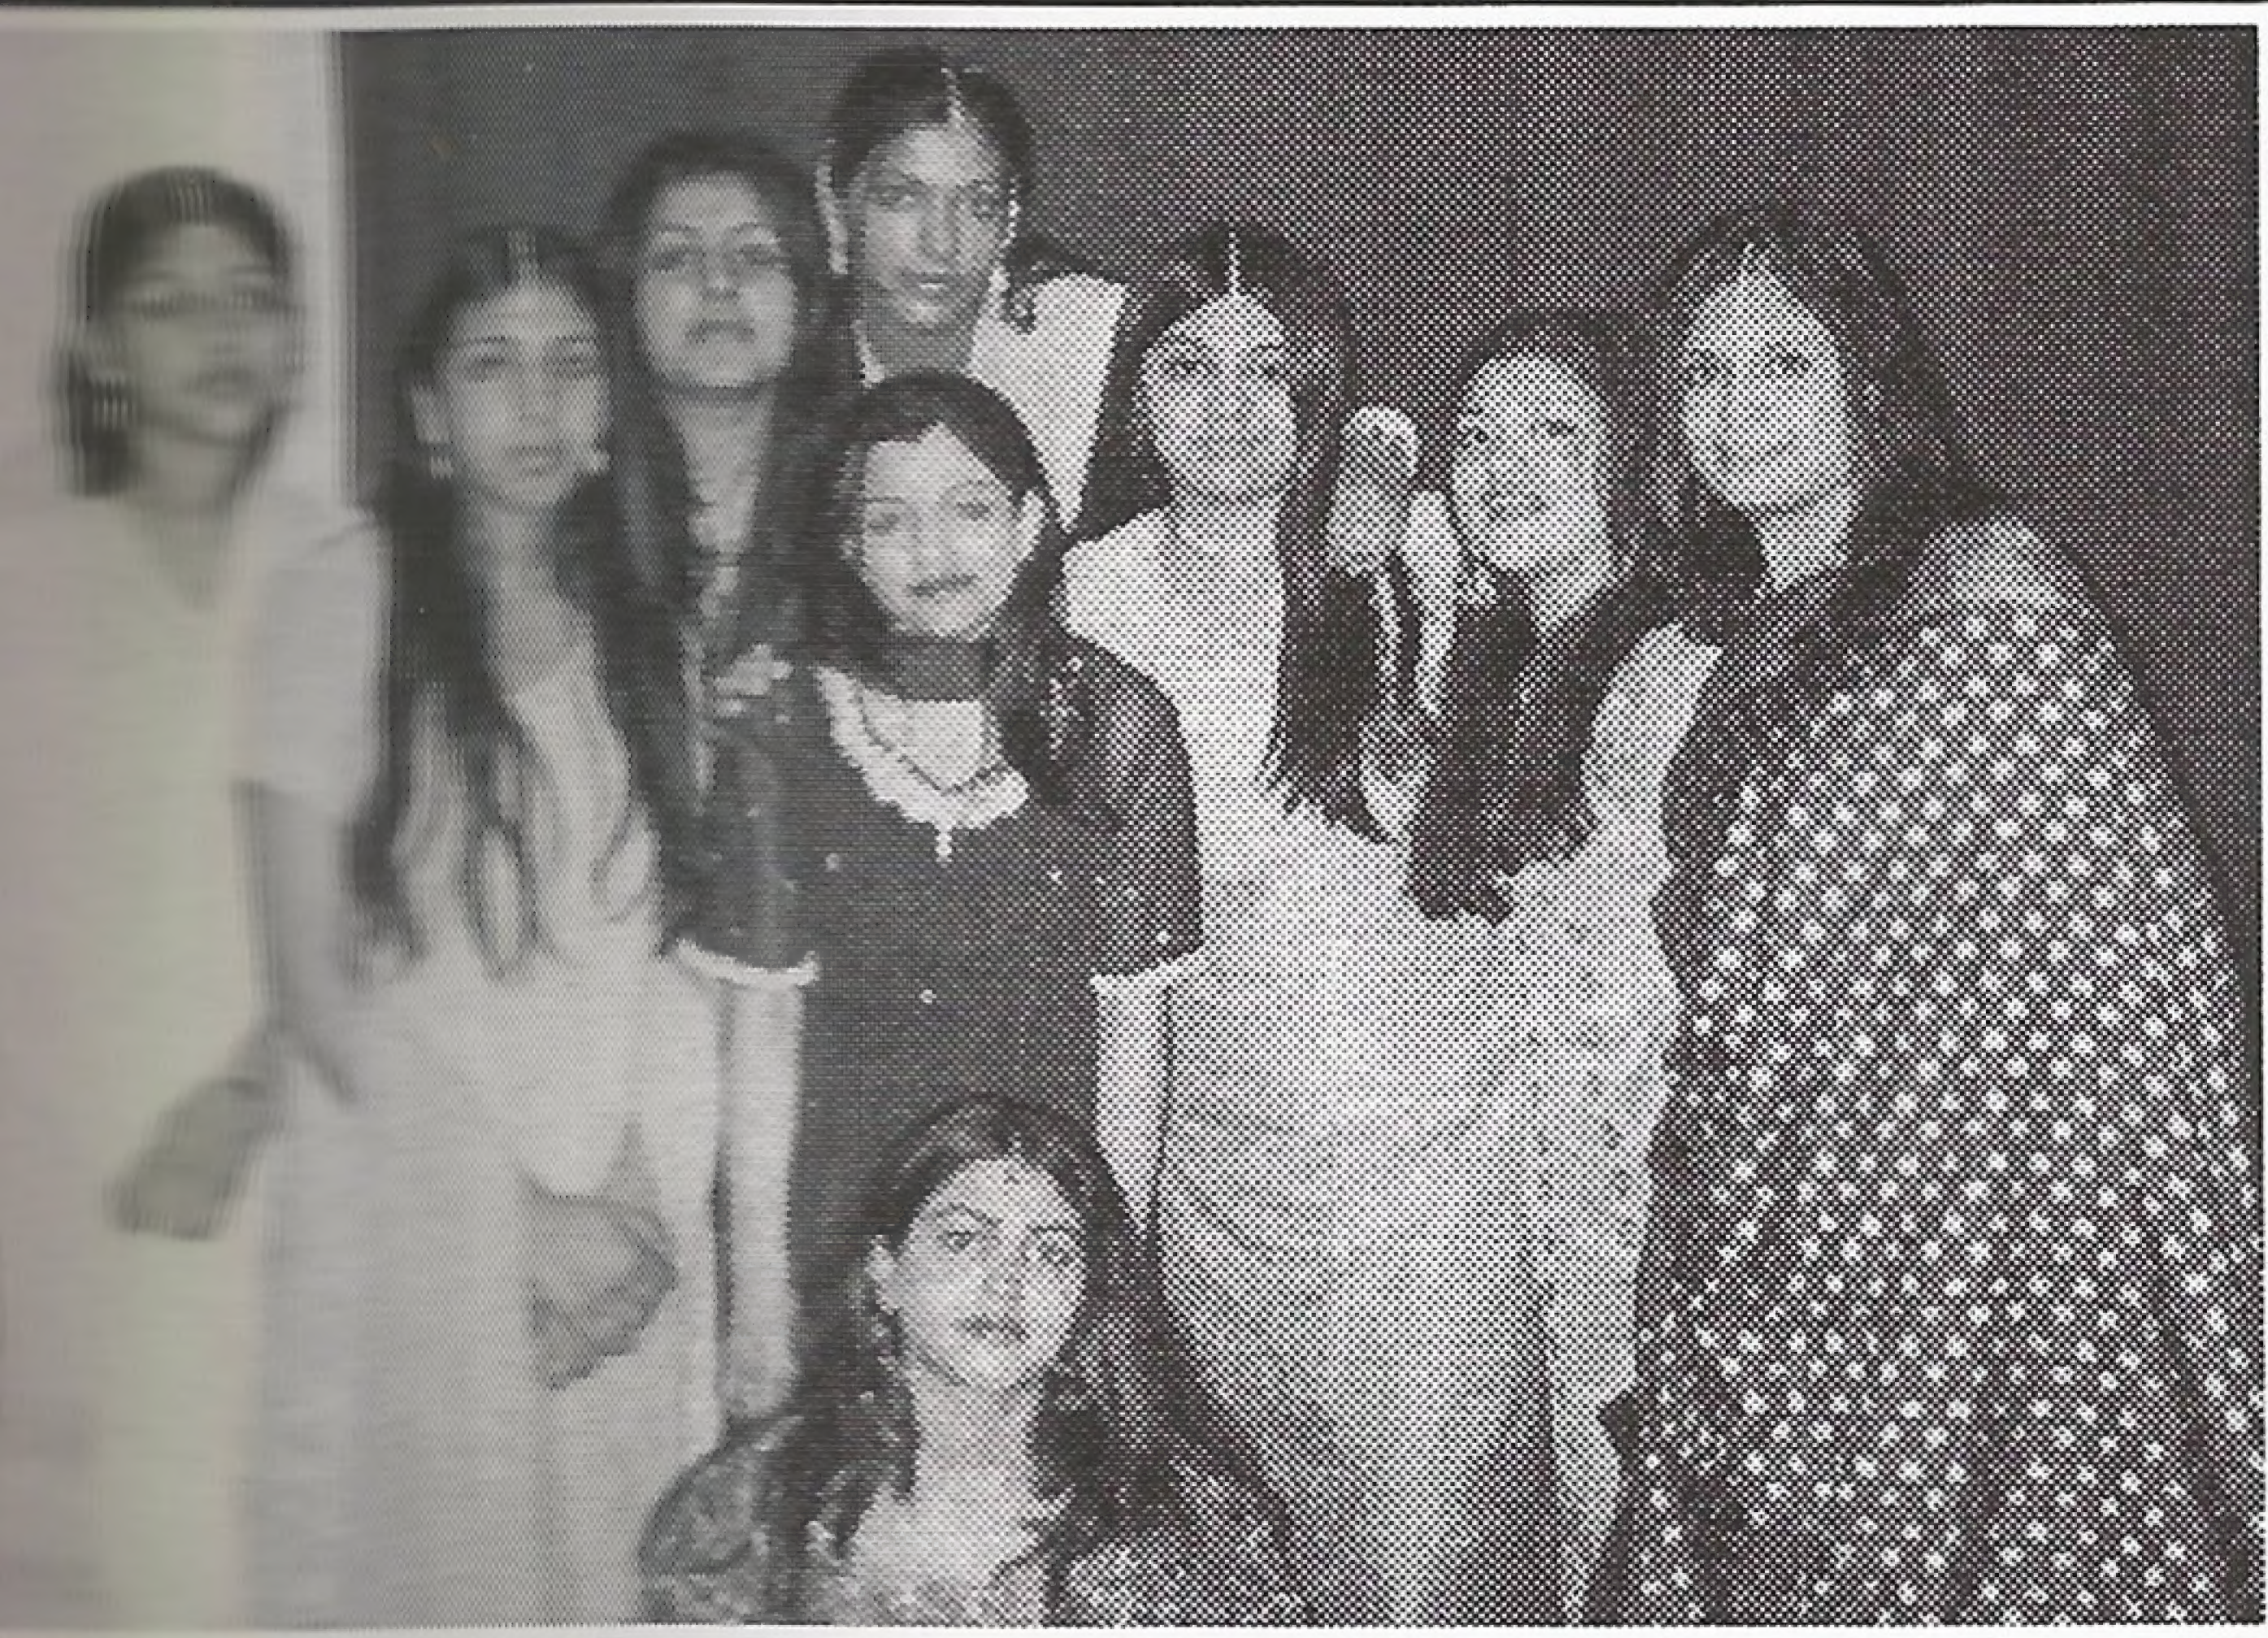

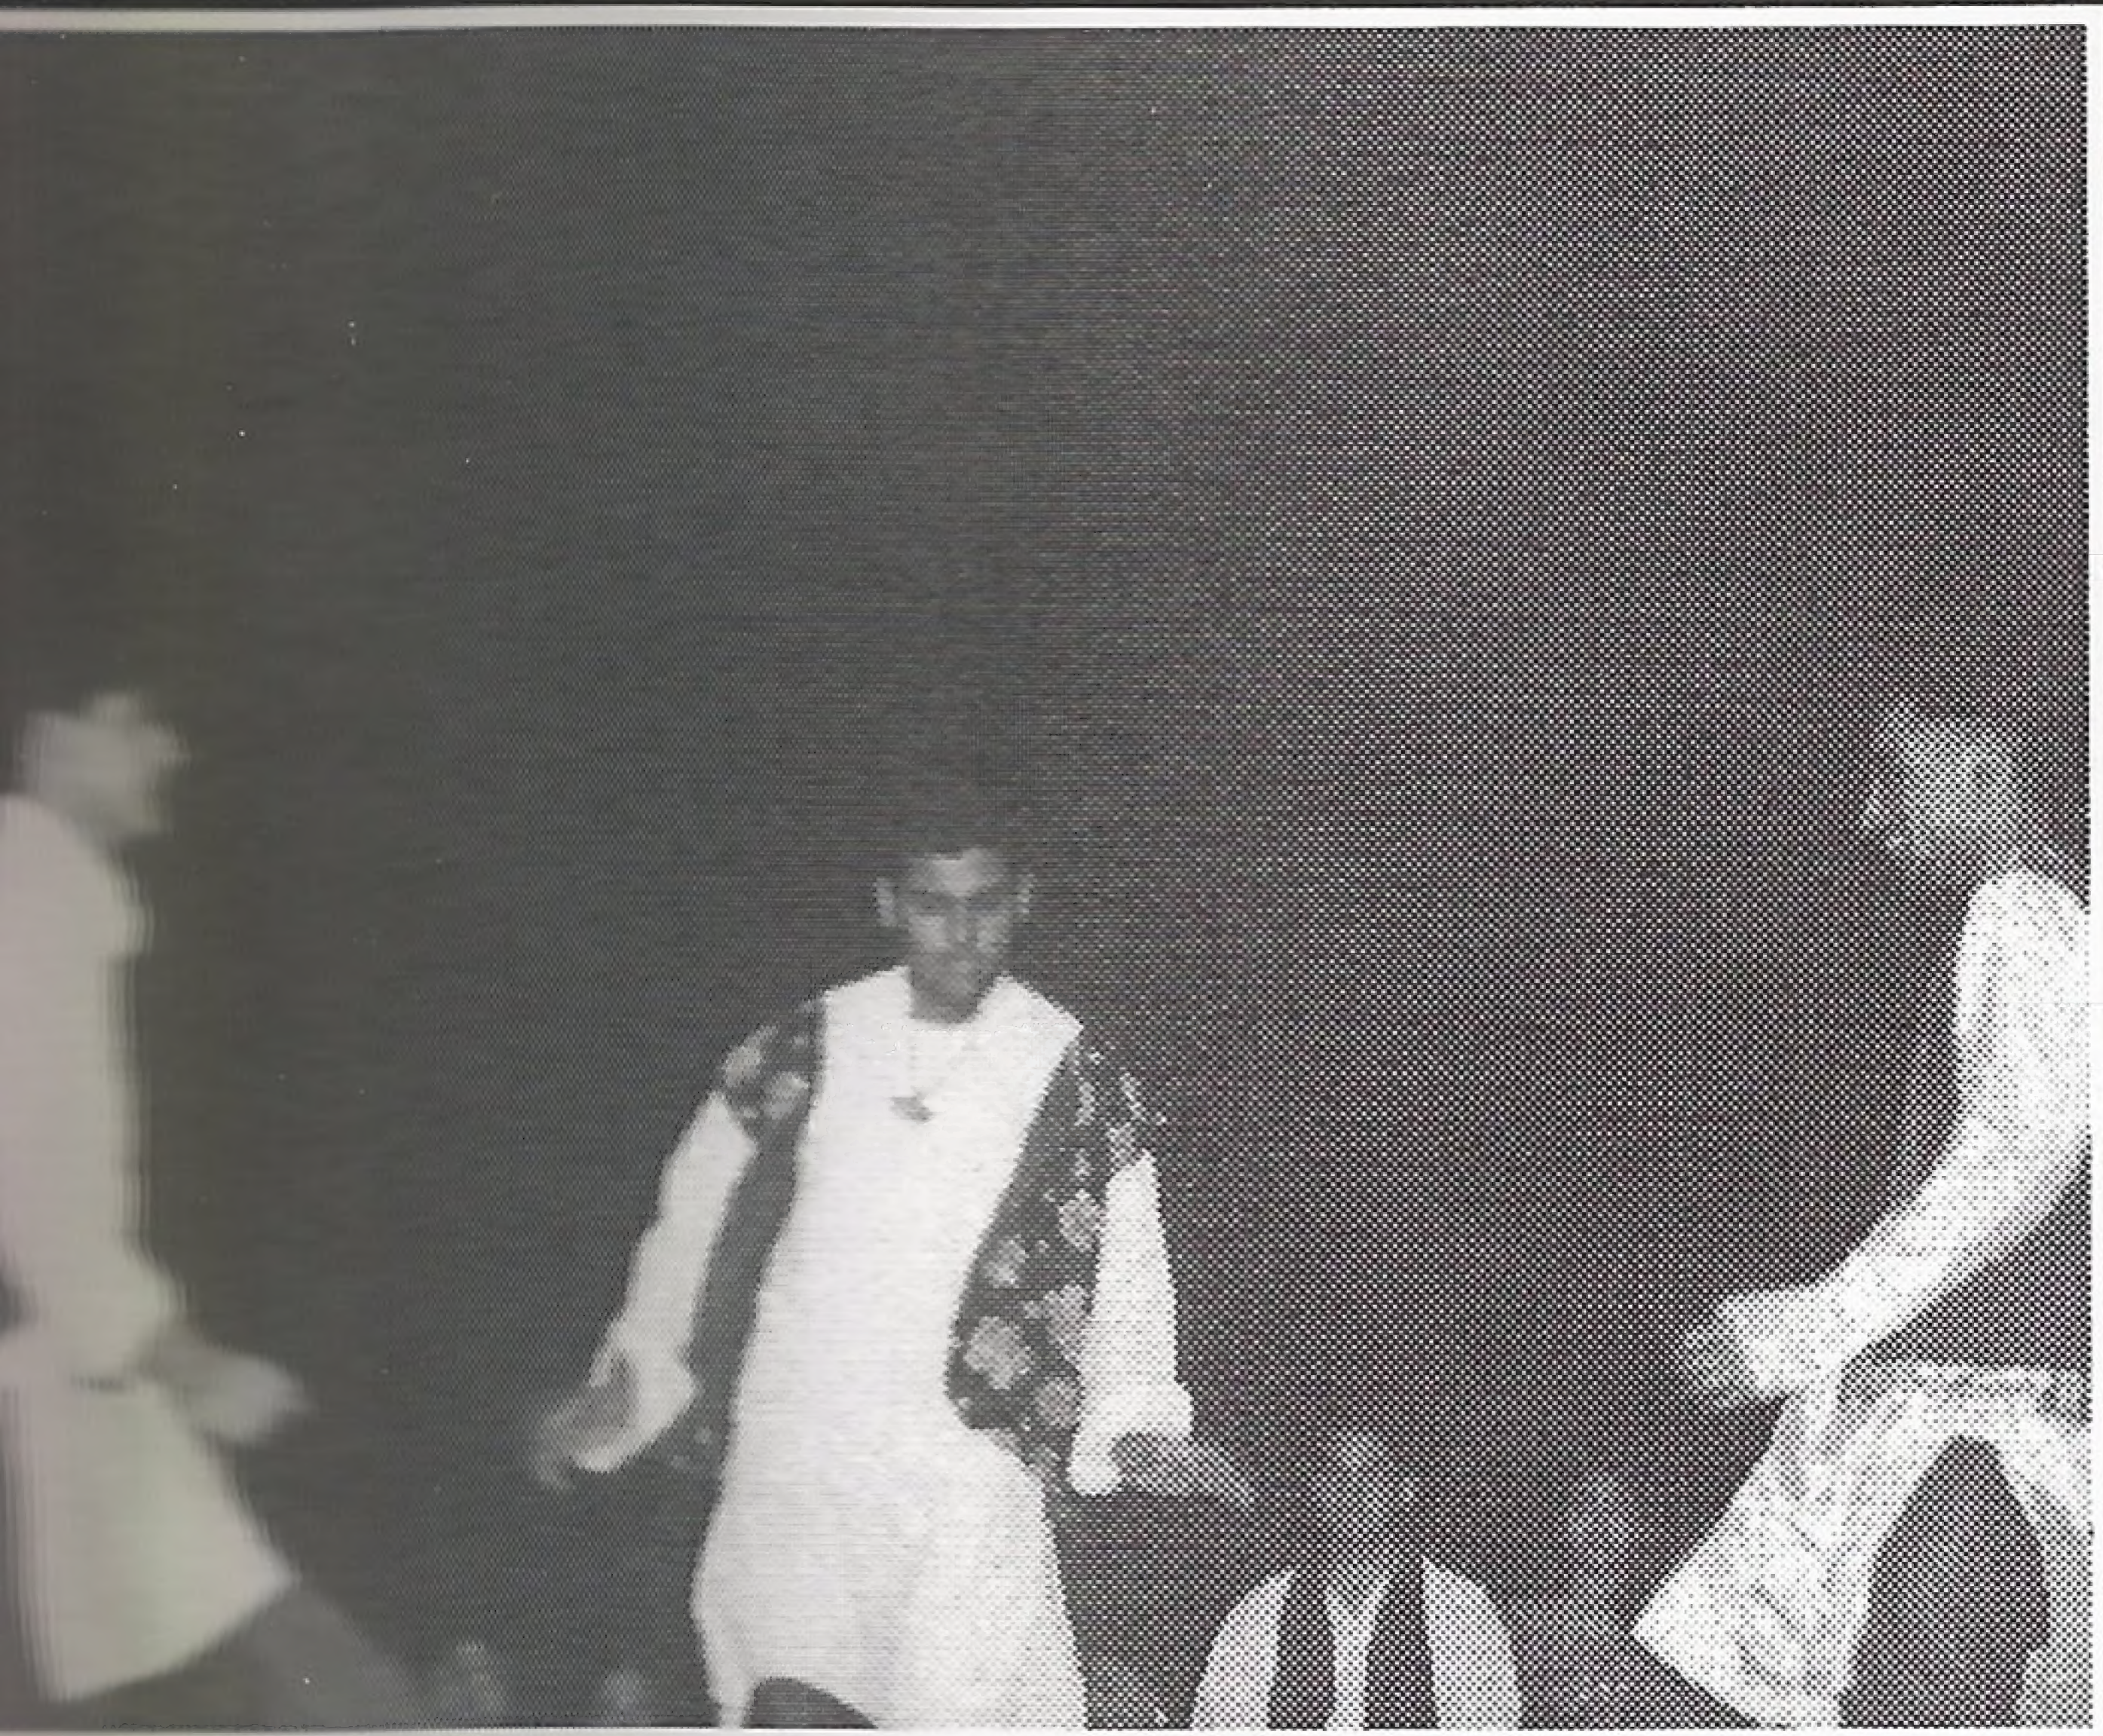

"I really appreciated his belief in students."

"It was his intense and unswerving loyalty to his students and colleagues which was indeed appreciated at Westview."

Prom 2003

This year's Prom was held at the Paradise Banquet Hall. The magical evening was complete with dinner, dancing and damsels in delightful dresses! It was an excellent turnout and great fun was had by one and all. A big thanks to the students and teachers of the Prom Committee for their hard work!

Yearbook Crew

It almost happened again, Westview. We came close to not having a yearbook.

In September, it was amazing to see how many people showed up for the first yearbook meeting - 26 to be exact. Everyone seemed so excited to be on the Committee, but as soon as we found out there was **ACTUAL WORK** to be done, we **RAN** away ... **FAR** away. It seems many of us were **ALLERGIC** to commitment, hard work and responsibility.

SEVEN MONTHS LATER, a couple of us surfaced to see how the Yearbook was coming along. What nerve!! Imagine our shock when we found out the project was going to be **CANCELLED!!!**

Luckily for us, Ms. Costello and Ms. Elamad managed during the year to find a few students who would actually **WORK** on the yearbook, even though these students weren't even ON the Yearbook Committee!!

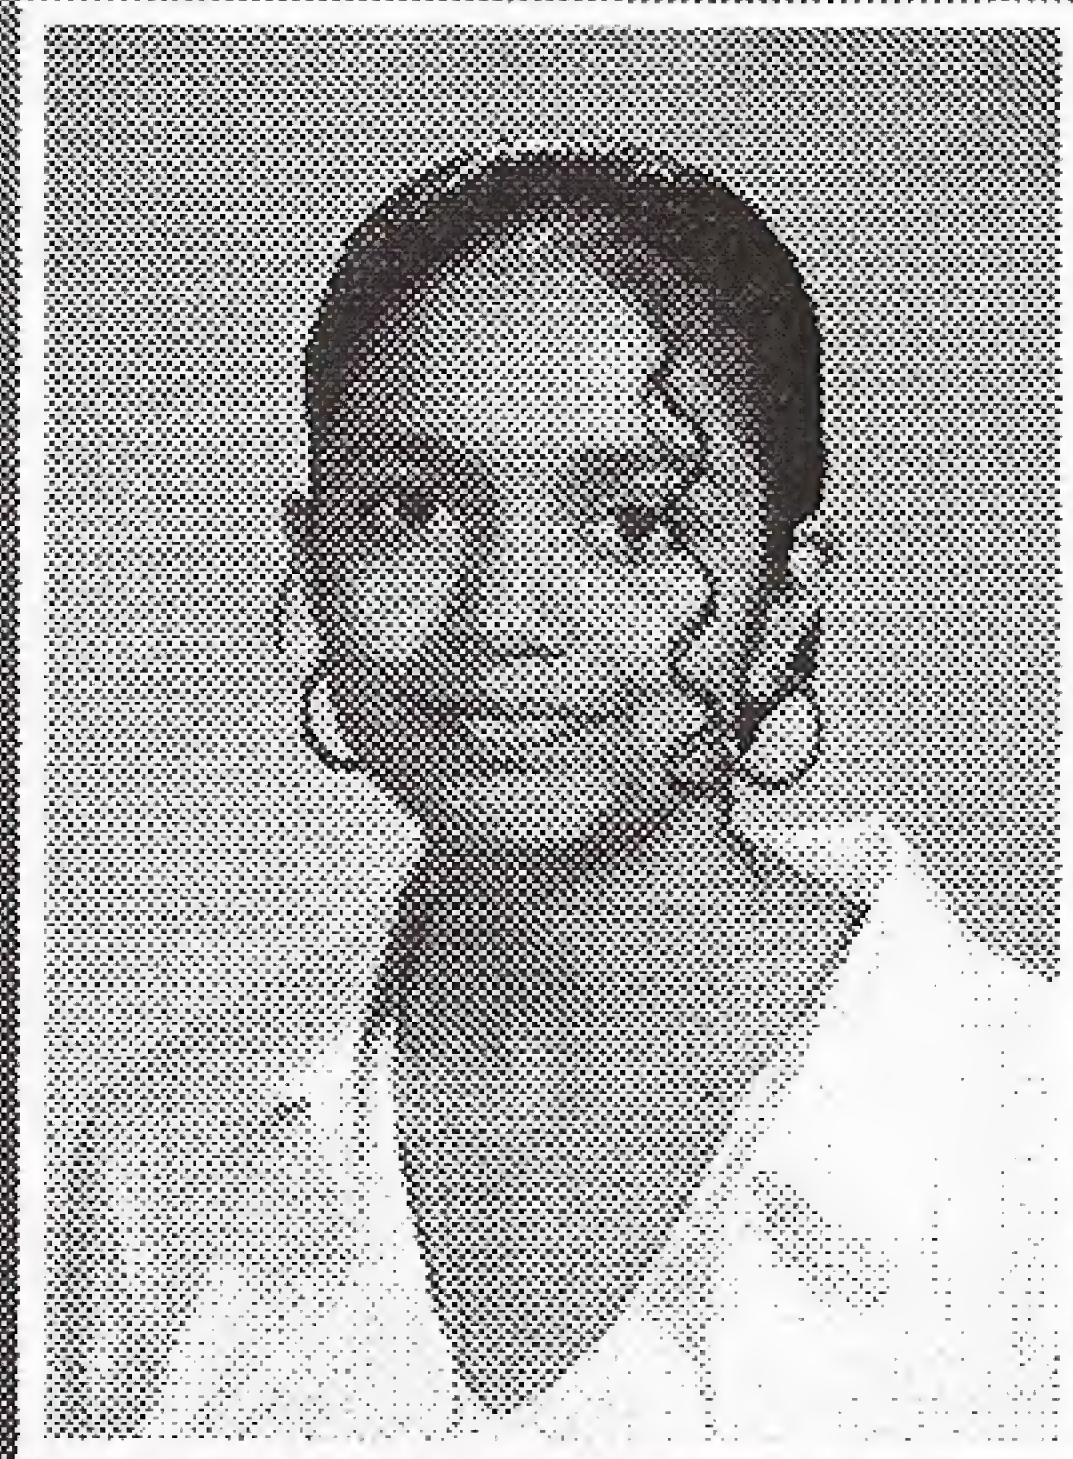

Sarah, Jeeta, Amelia and Kevin worked on the Mug Shot section while Nadia and Bakthi helped collect and compose the Grad Write-ups. Warren designed the cover while Chi Lea designed the title page. Quyet produced the Prom pages. Other students chipped in an hour or two here and there.

The Yearbook was completed just in the nick of time, but unfortunately, many sections are missing. One person promised to do the opening 32 pages of colour and just didn't bother. Jagjeet tried to organize the Clubs and Teams section, but when she and Miss Julie tried taking team photos, very few people showed up.

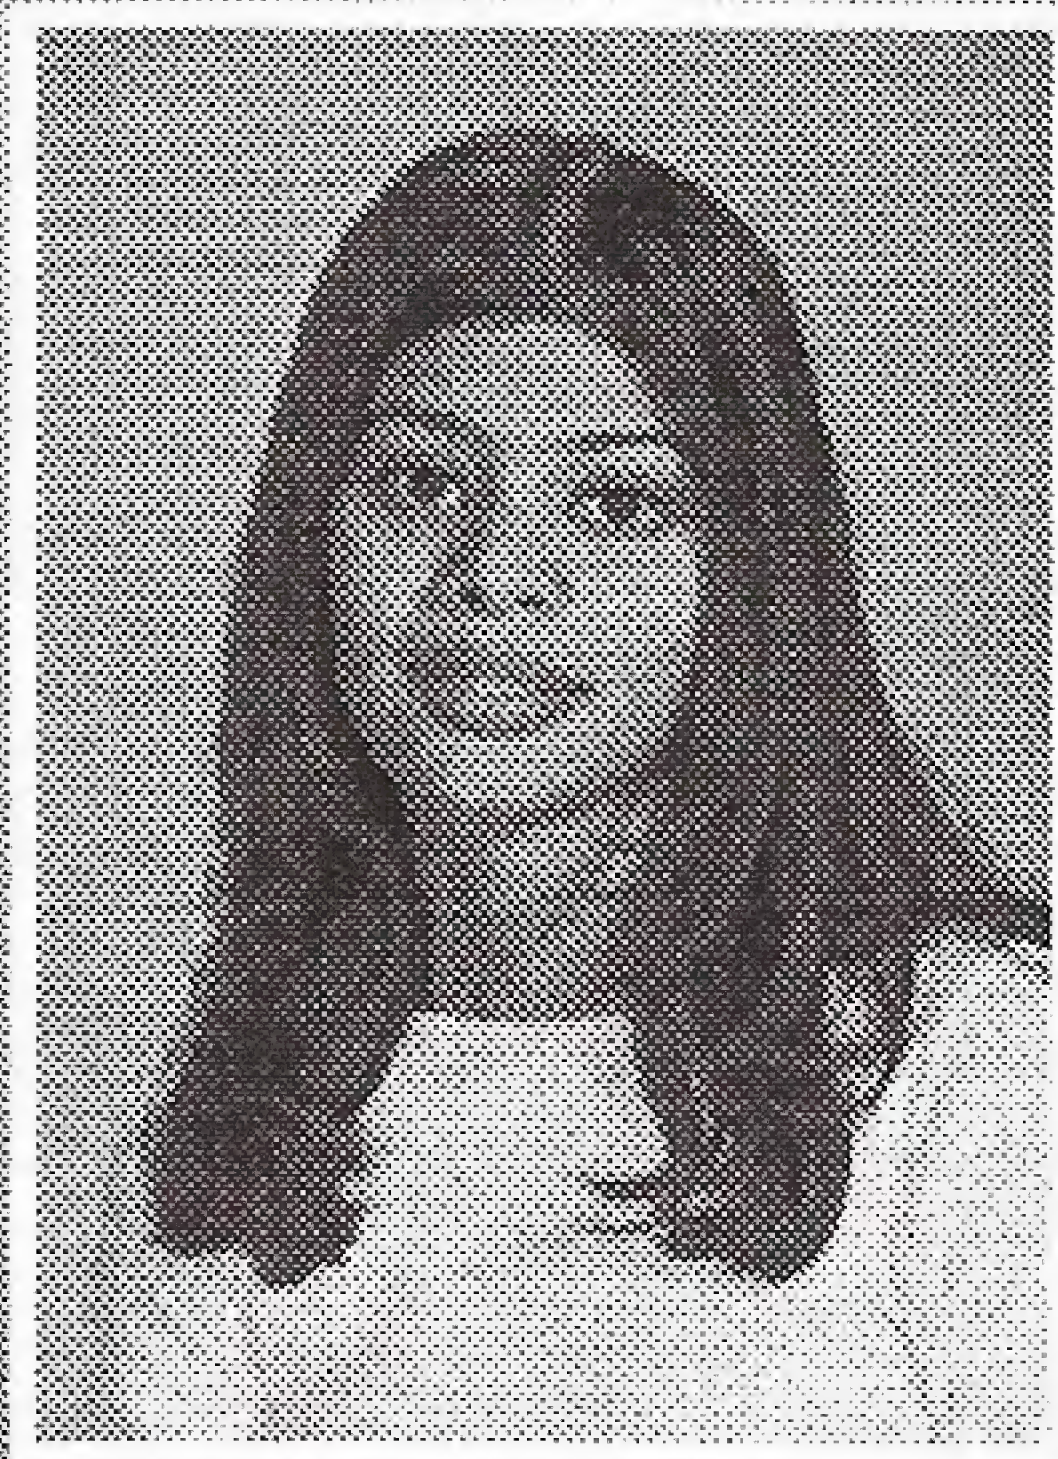

In the words of Student President Suzanne Narine, "If you want something, Westview, you must be willing to **WORK** for it. Yearbooks and assemblies do not magically appear."
